---

The font family is based on simple design, clean and clear, a serious style, elegant, beautiful, love the expression. - Triangl - Dark contrast Download Helvetica.ttf: The strong by the strong. This font comes in the same style as Gill Sans MT, but with a bit more impact and punch to its letters. The result is a classic font that is used in many newspapers and magazines around the world.... - Regular Italic - Dark italic Sakura: The new character family created by the Japanese studio H&U and famous for their work on the 2000 Tokyo Olympics. In this family you find the most outstanding characters. It's a family of fonts with strong and interesting characters that has a clear reference to the stylistic design of the 1930s. In the new family you can choose between two weights, regular and bold. - Regular - Bold 2000.otf: In the series 2000 (FontPlaya), 2000 (Gaijingu) and 2000 (Otomo), 2000 (Gaijingu) and 2000 (Otomo) 2000.otf 82157476af
